Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of Mont Vernon in the County of Hillsboro in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said town on Tuesday, the eleventh day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

3. To see if the town will vote to pay the tuition of the town scholars going to Stearns School.

4. To vote if the Grange may have the use of the town hall the same as last year.

5. To vote if the town will accept State Aid.

6. To see if the town will appropriate \$250 to repair street leading from the Turnpike to the New Boston road. Mr. Perham will donate land to give the street sufficient width.

7. To see if the town will reaffirm the ordinance to prohibit coasting or sliding on the main road from the village to Milford and at any side road crossing of said road. This, that parents and teachers may realize their responsibility if any accident should occur when children violate said ordinance.

8. To see if the town will vote to appropriate three hundred dollars, the state to give 75 dollars, to combat the white pine blister rust.

9. To see if the town will vote to authorize the selectmen to lay out, construct and build a certain piece of road, described as follows: Beginning at the end of the road, well known as the William Fox road, and nearly opposite the house of aforementioned William Fox, leading southwesterly and ending at a stake and road known as Pinkham Avenue, or take any action thereto. Signed Willard P. Woods, Arthur P. Temple, et al.

10. To see if the town will appropriate and set aside two hundred fifty dollars to be used for the repairs of sidewalks in cases where the abutter will raise and pay half the cost of said repairs. Said abutter must give security satisfactory to the selectmen that his share will be paid.

11. To see if the town will authorize the Selectmen to finish the state road to the end of the New Boston line and to raise such funds as may be necessary, such money to be repaid to the town treasury through the yearly joint appropriations of state and town for the purpose of such construction.

12. To transact any other business that legally may come before said meeting.

Given under our hands and seal this 18th day of February, in the year of our Lord nineteen hundred and thirty.

WILLE L. ROBINSON,
ARVID G. ERLANDO,
WILLIAM H. KENDALL,
Selectmen of Mont Vernon.

REPORT OF FOREMAN OF STATE ROAD WORK

Under the jurisdiction of the State Highway Dept.

Dr.

Received from the town treasurer \$4294 84

Cr.To labor and materials as per
itemized daily reports to the
State Highway Dept.:

State aid maintenance	\$1020 50	
State aid construction	3138 19	
Refund to town treasurer	136 15	
	<hr/>	\$4294 84

The state pays two-thirds of all cost on state aid maintenance work and one-half on state aid construction. Wages and hours remain unchanged from last year. Copies of daily reports audited by the State Highway Department are on file in the Selectmen's office.

Respectfully submitted,

ARVID G. ERLANDO.

Report of Fire Company

The purchase, over a year ago, of the new fire truck opened a new era in fire protection for the town. A new company was formed and kept at its full strength of twenty men. The appointment of an efficient steward has insured us that our equipment is always ready when the necessity arises. The tractor and snow-plow enables the fire apparatus to reach property which in years past would have been impossible during the winter months.

During the past year, the fire equipment has been greatly improved by the purchase of a new pump, which will deliver as much water as can be expected of any portable machine. Two hundred and fifty feet of water hose and ten feet of suction hose has been added to the supply on hand, giving us at the present time seven hundred feet of perfect hose. Realizing that the extra weight of the new pump and the additional hose was over-loading the truck, the members of the company purchased, and gave to the town, a truck to be used as a pump and hose truck. The new truck crowded the fire house to capacity, leaving no room for the firemen to hold their meetings or to care for their equipment without driving the trucks out of doors. To remedy this condition, an addition was built onto the fire house.

At the present time the fire company arrives at a fire with over a hundred gallons of chemical for instant use, through three hundred feet of hose. We also have a water pump capable of delivering over a hundred gallons of water a minute at approximately one hundred and forty pounds pump pressure, through seven hundred feet of delivery hose. The pump is equipped with a valve through which the chemical tanks may be refilled without shutting

off the water line to the fire, thus allowing a more constant stream of chemical than was possible with the former bucket brigade method of refilling tanks. We submit this report feeling that our fire-fighting equipment compares favorably with that of any town of similar size in the state.

Ever anxious to increase the efficiency of our fire department, we offer two suggestions, trusting that they may meet with approval and will materialize. First, the town should buy more water hose. This is particularly necessary because at a fire of any duration, the pump might soon exhaust nearby wells. The second suggestion is to have dug somewhere in the upper district of the village one or more cisterns to strengthen the water supply in that section. This, we believe, would furnish the best protection for the smallest expenditure.

During the past year the company has been called seven times: three fires at dwellings, three brush fires, and one investigation call from the state forest fire look-out at Milford. The total damage from fire in our town this year has been negligible; a fact which is a credit to our residents for their care in avoiding this great and ever-present menace.

F. C. REAGAN,
G. O. CARLETON,
D. H. HERLIHY,
Board of Fire Wards.

REPORT FROM THE STATE FORESTRY DEPARTMENT

In accordance with the terms of an agreement executed between your town and the State Forestry Department, we are handing you herewith a statement indicating the results of White Pine Blister Rust Control carried on in your town during the season of 1929.

As will be seen by the financial statement, the State increased the town appropriation 25 per cent. The necessary supervision of the crew, the time employed in laying out the work and deciding on the control areas, as well as many other details, was handled by the district Blister Rust Agent. As he is paid by the Federal Bureau of Plant Industry, no charge for his services was made against either town or state monies. Thus, the town appropriation and the state aid was used solely in the location and destruction of currant and gooseberry bushes, the plants which spread this disease from infected to healthy pine trees.

Respectfully yours,

JOHN H. FOSTER,

State Forester.

FINANCIAL STATEMENT

Crew wages	\$364 70	
Expenses	11 00	
	<hr/>	\$375 70
State aid		75 14
		<hr/>
Town share		\$300 56

REPORT OF AUDITORS

We have this day examined the reports of town officers and find them correctly cast and properly vouched, except a difference of four cents between the Town Treasurer and bank balances.

NATHANIEL F. HOOPER,
ARTHUR M. HAZEN,
Auditors.

Daland Memorial Library

The librarian of the Daland Library submits the following report:

In many ways the past year has been a very successful one. Many new books have been added to our shelves, and more interest is being shown in the library in general. More people come to the library to look up references and solve mooted questions.

As usual, our friends have remembered us kindly, and the names of the generous donors are the familiar ones that we are glad to speak of each year. From Mr. J. F. Wellington we have received \$25.00 and books from his private library. Mr. Orrin Hubbard is, as always, a large contributor, giving the library twelve volumes of the World War, published by The London Times, and many interesting books of fiction. Also books from Mrs. Leslie Boutwell, Mrs. Philip Thayer, Mrs. Amy Abbott, Mrs. Marble, Mrs. Natalie Dion, Mrs. H. P. Peck, Mr. Cecil Bancroft and others. Philip Thayer, Jr., and Jean Thayer have donated a large number of children's books; also Sarah Wister and Deborah Kittredge. Some new and very interesting Juvenile books were purchased from the money allowed the library by the town, \$108.37 for books and \$22.50 for magazines, and books for adults were also bought from this money.

At present the greatest need of the library is more stack room. We have an excellent showing of the latest biographies, histories, books on travel, nature, etc., in short what are called "worthwhile books" that will be an addition to the library for years to come. It is very encouraging to realize how often these are taken out, proving the truth that if good things are provided, people will gladly welcome them. We trust the good work may go on.

The usual magazines are found on the reading table, Harper's, World's Work, Woman's Home Companion, Ladies' Home Journal, Good House-keeping, the Literary Digest and the American Magazine. Mr. Wellington contributes Asia, Miss Emma Flint The County Gentleman and The World Today, Miss Lelia Smith The Monitor, and The Milford Cabinet by the editor.

The output of books has dropped a little from last year, but 4122 books is a goodly number for a town as small as Mont Vernon. By vote of the Wednesday Club a large box of duplicate books has been sent to Boston for the Merchant Marine service, and another to Concord, N. H., for the travelling libraries. The files of old magazines were sent to the hospitals where they are gladly received, and to people outside the village.

The library has received through exchange the history of Hollis, and still we are hoping for others from adjoining towns.

Respectfully submitted,

GEORGANNA W. FLINT,

Librarian.

Warrant for School Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Mont Vernon, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March 1930, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year, July 1, 1930 to June 30, 1931.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see how much money the district will raise

and appropriate for special repairs, alterations, insurance and new equipment.

10. To choose a Member of the School Board for the ensuing two years.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Mont Vernon this fifteenth day of February 1930.

GEORGE O. CARLETON,
FANNY C. AVERILL,
IRVING B. FARNUM,
School Board.

Other obligations	50 00
	<hr/>
	\$4903 00
Less Estimated Income	1850 00
	<hr/>
Total Amount of Money to be Raised by Taxation	\$3053 00

WILLIAM C. LAMSON,
Clerk of the School District.

March 12, 1929.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Mont Vernon:

I herewith submit my eleventh report which is the thirteenth report in the series.

Supervisory Union No. 40

No change has been made since this Union was formed in 1919 except as the division of joint expenses has been adjusted from time to time to make an equitable distribution. Mont Vernon now pays one-twentieth.

Reorganization of Schools

Decreasing enrollment has made it feasible to combine Grades I-VI inclusive under one teacher in the lower room in the central building in the village and to provide tuition and transportation for seventh and eighth grade pupils at Milford High School. This results in a group of twenty-eight children in charge of Miss Florence B. Kidder and three children transported to Milford where they are enrolled in the six-year High School. Two of them will probably be promoted to Grade IX for next September, and the other will be advanced to Grade VIII. The advantages of this reorganization are several. First and most important, the relatively few children in the two upper grades have a chance to start the first year of Milford's six-year program and thus to secure the benefits of departmentalized instruction, including cooking and sewing for girls and manual training for boys. The transition from Grade VI to VII is easier to make than under the old plan from VIII to IX. Incidentally, the cost of transportation is less than the maintenance of a second room at the village. As now conducted the upper room at the village is vacant, and being equipped

with electricity and a good school room heater, is available for other uses such as community gatherings or afternoon work meetings.

Enrollment

Page 41 in last year's report gives enrollment data for ten years past. The table below shows present conditions. The prospects for next year are that the total number enrolled will not be larger than now. The three now in Grade VI may become eligible for Grade VII at Milford, making a total of four to be transported to Milford. A continuation of the present arrangement as explained above seems feasible.

AGE-GRADE TABLE JANUARY 31, 1930

	1	2	3	4	5	6	Tot.
Age 5-6	1						1
Age 6-7	5						5
Age 7-8		2	1				3
Age 8-9			3	1			4
Age 9-10				1	3		4
Age 10-11				1	3		4
Age 11-12			1		1		2
Age 12-13				1	1		2
Age 13-14						2	2
Age 14-15					1		1
Age 15-16							
Over 16							
Totals	6	2	4	5	8	3	28

Boys	4	1	2	5	3	1	16

Playground

Beginnings made three years ago have been continued by the purchase of a piece of playground equipment which combines a slide, swings, and a trapeze or rings. This outfit has been very popular with the children. In this year's budget a small sum is included for further extension of equipment. The next thing to be secured should be teeter boards.

Costs

For the school year 1928-1929 the cost per pupil in average membership for elementary schools in Mont Vernon was \$153.01 as compared with the state median figure of \$83.35. This apparently high cost was due to the fact that each of the two teachers had enrolled not more than half as many pupils as could have easily been handled. A more interesting figure and a better measure of cost is the amount per \$1000 of equalized valuation required for support of schools. For 1928-1929 this was \$7.36 in Mont Vernon. There were forty-seven districts in the state in which this cost was less, Livermore being the lowest at \$3.51. There were one hundred and ninety-six districts in which the cost was more, Acworth being the highest at \$20.94. This shows that the costs in Mont Vernon in comparison with the wealth of the district are low.

Ten Years

On December 6, 1929, the State Board of Education held a meeting at Concord for School Board members in New Hampshire. The object of this meeting was to discuss and review the last ten years during which the new School Law of 1919 has been in effect. Among the speakers at the meeting were Governor Tobey, Ex-Governor Bartlett, Ex-Governor Spaulding, members of the State Board of Education, and School Board members. The meeting was held at the new High School building and was largely attended. All reported a very profitable and enjoyable day. Ten out of the twelve School Board members of this Union were able to attend. Such meetings do two things; first, they assist those who attend in the solution of their own local problems, and second, they provide more thorough understanding of the work throughout the state and a general broadening of each one's point of view.

Conclusion

Calvin Coolidge once said, "It is not enough merely to know how to get a living; it is necessary to know how to live." Such a statement expresses the purpose of public schools, especially the last part. The constant effort of every teacher, who makes of her teaching a profession and not just a job, is to teach children by instruction and by example how to live. This part of a pupil's education is not measurable in the same way as arithmetic or grammar, etc., but is equally if not more valuable. A good school citizen will make a good adult community citizen. By daily practice in living we learn how to live and grow—hence our motto of this year—"Education is Growth."

Respectfully submitted,

HAROLD C. BALES.

February 21, 1930.

STATISTICS

General Statistics for School Year 1928-1929

Number of schools maintained	2
Number of different pupils registered during year:	
Girls 17; Boys 16; Total	33
Enrollment by grades: I-2; II-7; III-5; IV-6;	
V-5; VI-2; VII-2; VIII-4; Total	33
Number of days schools were actually in session	176
Number of days teachers attended conventions	6
Average daily membership	25.58
Average daily attendance	24.06
Average daily absence	1.52
Per cent of attendance	94.52
Number of cases of tardiness (last year 89)	46
Number not absent nor tardy	2
Average salary of teachers	\$925
Number of school visits by school board members	7
Number of visits by superintendent	54
Number of visits by citizens	85
Number of meetings held by school board	12

Pupils Attending Secondary Schools 1928-1929

Maude Connor	Junior at Nashua High
Cynthia Darrah	Senior at Milford High
Dorothy Farnum	Junior at Milford High
Carl Johnson	Sophomore at Milford High
Edgar Johnson	Freshman at Milford High
Elizabeth Kittredge	Junior at Milford High
George Kittredge	Senior at Milford High
Catherine Morgan	Freshman at Milford High
Margaret Tabbutt	Sophomore at Milford High

Pupils Attending Johnson Corner School in Lyndeboro, 1928-1929

Chester Parsons, IV; Eleanor Parsons, V; Grace Parsons, VIII.

Pupils Who Completed Grade VIII, June 1929

Grace Parsons	Roger Brown

(Jealous 2, Stearns School 1)	
Number in high school under 16	4
Number in high school over 16	5
Number attending elementary school outside	6
(3 at Johnson Corner, 3 at Milford)	
Number not in school, under age	0

PERFECT ATTENDANCE**Full Year, 1928-1929**

Joseph Carleton, Alice Hubbly.

September 4, 1929 through January 31, 1930

Eleanor Carleton, I; Evelyn Carleton, V; Joseph Carleton, III; Malcolm Carter, V; Alice Hubbly, III; Guild Smith, I; Mary Smith, II; Madora Strevino, VI; William Webster, IV.

REPORT OF SCHOOL NURSE

To Mr. Harold C. Bales, Superintendent of Schools,
Mont Vernon, N. H.:

The following is my third report of the health work in the Mont Vernon schools, it being the tenth year of this work.

The medical inspection was made in September by Dr. Burns, the nurse assisting.

The eye and ear tests have been completed by the teacher. The results show six children to have defective vision.

Class room inspections and health talks have been given at intervals to stimulate the interests of the child in his own personal health.

There has been no outbreak of contagious disease in the school during the past year.

Dr. Burns' report shows a tabulated account of the medical inspection.

Respectfully submitted,

EMMA L. SMITH, R. N.

February 10, 1930.

REPORT OF THE SCHOOL PHYSICIAN

To the School Board of Mont Vernon:

I herewith submit my annual report of medical inspection made on September 23, 1929.

Number of pupils examined	29
Number of teachers examined	1
Defective teeth	13
Hypertrophied tonsils	9
Unvaccinated	4

Respectfully submitted,

OSCAR BURNS, M. D.

February 10, 1930.
